PERSONAL PROFILE

Motivated, hard-working, convivial and resilient, I am driven by creativity not just with my artwork, but throughout my day-to-day life. I have always excelled in both the workplace and education thanks to my diligent attention to detail and empathetic nature, of which benefits my success in both solo and team-oriented environments.

I am seeking to further develop my skills in 2D Animation and subsequently Filmmaking, aiming to launch a vast and exciting career in the professional creative industry.
